FEBRUARY 29TH
10AM-2PM

Workshops with Farnoosh Brock

How can you be super prepared for your career from Day 1? You are already a brilliant engineer. But are you also a proficient communicator? Will you be seen as a leader and influencer in the workplace? Can you position your value to your management and clients?

Join Farnoosh Brock for TWO highly interactive workshops to learn how to (1) be confident and use the power of your voice, (2) communicate effectively at the workplace (3) understand what makes you unique as a professional and build your personal brand and (4) network with authenticity and professionalism.

Key Takeaways

- Your Unique Branding Story
- Confidence in your voice & presence
- Communicate Effectively
- Build Trusted Relationships
